What's Happening in the 2s with Ms. JoAnna and Ms. Connie

March is an exciting month in the 2's class. We are welcoming a new student Hardt. The students will see how Skittles and water make a rainbow. Sensory bins with solo cups/index cards and water beads. Can't wait for the kids to learn about the Trinity Clover. The weather is

getting nice, super excited for our outside play.

This month with Ms. Heather and Ms. Laura

Seuss, Shamrocks, and Spring, the Three's classes are rolling in clover, tiptoeing through the tulips and splashing in puddles on their way to spring break. We will spend the first week of March counting quarters, crafting quails, and quivering in excitement to learn about the letter Q. Then the second week we will jump into the letter K like Kangaroos flying Kites. The third week we will roll over the rainbow in rockets to look for lep-

rechauns and pots of gold, while learning about the letter R. The fourth week we will nicely nest with the letter N before heading off to Spring Break fun in the last week of March. Here's hoping for warmer days, lots of sunshine and a superb spring. 😊

Pre-K with Mrs. Gleason and Mrs. Gryder

Ms. F and her funny feet will feel right at home as we celebrate Reading Across America on Wacky Wednesday on 3/3.

Perhaps this year all the Lion weather can stay in February and March will all be Lamb weather. Ms. L with her incredibly loud laugh certainly hopes for lamb-like weather and will enjoy making the children laugh with her jokes.

We will continue to talk about Lent and the early ministry of Jesus as we approach the joy of Easter.

Mr. R and his rainbow ribbons will join forces with our gold-loving leprechaun as we learn the meaning of the trinity as taught by St. Patrick.

Mr. J, with his jingle-jangle jacket, will help us learn about the story of Easter

and how that impacts each and every one of us. An Easter egg hunt is a must for our Easter parties on 3/25.

Thank you to all our wonderful families that continue to support us and pray for us!
